

Spain - Pyrenean Family Adventure

HOLIDAY TYPE: Small Group
VISITING: Spain

BROCHURE CODE: 4003
DURATION: 7 nights

In Brief

Although quite rightly, it is the mountains that get all the attention in this region, it is the Noguera Pallaresa that draws adventurous spirits to the charming town of Sort. The river forms the backbone of this corner of the Pyrenees, flowing from its source high in the mountains through rock gorges and lush valleys. The landscape it has created over innumerable millennia and its energetic waters themselves give rise to unparalleled opportunities for whitewater sports and canyoning. The forests offer hiking and canopy walks and you can also challenge yourself by completing the family-friendly via ferrata.

Our Opinion

“ The Catalan Pyrenees holds a special place in the memories of everyone in the office who has been lucky enough to visit. The activities are enough to set your pulse racing and give you a real sense of accomplishment, but all the while you are surrounded by the most serene alpine scenery – you would hardly believe you were in Spain (well, Catalonia!) if it were not for the sunshine. Sort is also a perfect place to be based with lots of family-friendly dining an easy walk from the hotel, which also has a great pool for the kids and a spa for the adults. ”

Trip Overview

Your holiday base here is the town of Sort, a place which remains largely undiscovered outside of Spain. You will find that many Spanish holidaymakers take the journey here to enjoy the activities, stunning scenery and great culture that can be found in this vibrant town. The annual fiesta takes place towards the end of July and is an added bonus for families who happen to be visiting.

Sort is the capital of the Pallars Sobirà region of Catalonia. The people here are extremely proud of their Catalan culture and this is reflected particularly in their cuisine – there is a wide range of restaurants in the town of Sort, ranging from fine dining to traditional tapas and grill options.

The combination of the river and mountains make for an adventure playground on an unprecedented scale, but as well as the dramatic landscape the Pyrenees receive over 300 days of sunshine each year, making this the perfect place to visit to indulge your adventurous side.

We have put together a fantastic itinerary here, so you can climb, hike, raft and splash your way around this marvellous region.
