Trip Overview

Gozo, Malta's sister island, is the perfect place for your family to enjoy a variety of activities while exploring the charming island on this fantastic, 4-night holiday.

With three adventures included in the itinerary, you get to choose which ones suit you best, each one being specifically designed to help you discover more of Gozo in a different way. Whether it's kayaking, climbing, hiking, e-biking or even Segwaying across the landscape, the options are all yours.

The crystal blue waters are perfect for gliding over on a kayak, providing a unique vantage point. Discover the coastlines of Gozo and its smaller sibling, Comino, visit sea caves, and uncover secluded beaches all in one trip.

For those preferring to stay dry, the land-based activities are equally thrilling. The cliffs and countryside provide an excellent location for e-biking tracks, hiking trails, as well as climbing up and abseiling down for a more adventurous experience. You can also explore the island on Segway, or upgrade one of your activities to a diving session in the clear waters that surround Gozo.

Your base will be the Cornucopia Hotel, an extended converted farmhouse filled with local charm and located only a short walk away from Xaghra's village centre, where numerous restaurants line the square. The hotel is well-equipped with modern amenities and family-friendly features, such as two swimming pools and a Jacuzzi, offering plenty of

opportunities to indulge in all that's on offer.

From the stunning coastline to the imposing cliffs and fertile valleys, Gozo is a small but mighty wonderland, and this 4-night getaway is the perfect exploration of its many highlights.

ACTIVITIES

Sea Kayaking

Sea kayaking allows you to marvel at the stunning views from a completely different perspective and explore Gozo's beautiful coastline. You can see wonderful beaches, sea caves and imposing cliffs. During paddling breaks, you can also snorkel and take a look at the underwater world.

It is possible to do this activity year-round but it is weather dependent. The main season runs from April to October. Minimum age for participation is 8 years, and please be aware that children aged 14 years and under must share a kayak with at least one adult. Kayaks are sit-on in style.

Hiking

The local guides know every corner of the island and so once you have discussed your family's interests and fitness, they'll guide you on a suitable hike. All routes are family-friendly and designed to take you into quieter areas with the best scenery. Minimum age for participation is 8 years.

E-biking

Gozo has a great deal to offer cyclists. Our guides aim to avoid major hills and travel down the country roads and along sea cliffs to make the most of the spectacular views and quaint villages. Our guide will adapt to the level of the guests and offer a balance of easy, fun and technical riding.

This activity is available year-round but some may find it more strenuous in the hot summer months, mid-June to Mid-September. Minimum age for participation is 16 years.

Discover Scuba Diving (DSD), 1 or 2 dives

Gozo is renowned for its dive sites so what better place for you to discover scuba diving? Rather than take the plunge with a certification course, this introduction to diving will help you explore the underwater world without any prior experience (you will be issued with some paperwork prior to going on holiday, which you will need to complete).

You will be provided with the full equipment necessary and begin the short course in the classroom to introduce this fantastic activity. A full safety briefing will be given along with plenty of time for questions and answers. The day starts with a practice dive to get you used to the equipment and sensations and then a second dive where hopefully you will encounter some of the wonderful marine life.

You have the option of a one or two dive experience of the underwater world surrounding Gozo – supplements apply. Minimum age for participation is 10 years.

Bubble Diving

Bubble diving is a fantastic way for 8 and 9 year olds to experience a shallow dive in pool-like conditions, where they can get to grips with child-friendly Scuba equipment. For children 8 years and over participation in any dive will be at the guide's discretion.

Segway Tour

Segway tours are a unique, memorable and fun way to explore the island. They are eco-friendly, self-balancing, electric transportation vehicles and it is easy to learn to how to ride them. Enjoy Gozo's hidden treasures by 'gliding' through the beautiful scenery without getting tired feet on this two-and-a-half-hour trip.

This activity is available year-round. Minimum age

for participation is 16 years.
