

## Jeris Family Winter Cottage Adventure

**HOLIDAY TYPE:** Small Group  
**VISITING:** Finland

**BROCHURE CODE:** 1108  
**DURATION:** 7 nights

### In Brief

This family holiday puts together a range of exceptional Finnish experiences: awesome snow-based activities, comfy winter cottages and stunning landscapes combine for a wonderful family adventure. You will go on husky and snowmobile safaris, visit Torassieppi Winter Village, eat in the ice restaurant, and watch out for the Northern Lights.

### Our Opinion

“ It might be clichéd to say that the best things come in threes, but it’s definitely the case when it comes to this Jeris holiday. There are several trios in this trip which make it all the more special: activities, winter cottage, and spa pools...husky, snowmobile, and reindeer safaris... snowshoeing, ice fishing and Northern Lights! ”

## Trip Overview

Treat the family to a range of fabulous Finnish activities and experiences on this fun-filled holiday to Jeris. You'll get to try out a host of classic activities on the snow, stay in a wonderful winter cottage, and explore a true wilderness.

As a family, you will journey through this landscape in a range of ways. Sled dogs are some of the most enthusiastic creatures you will ever meet and you'll enjoy their company on a 15-kilometre husky ride and, during a 35-kilometre snowmobile safari with net fishing, you'll see some superb scenery and witness the scale of the wilderness. Another awesome adventure included in this holiday is to head off into the wilderness by Snow Train to hopefully catch a glimpse of the Northern Lights. A really memorable and fun experience to share together!

Not that the line-up of local delights ends there. At Torassieppi Winter Village you'll have an unforgettable lunch in an ice restaurant (weather dependent). There will also be a visit to Torassieppi

Reindeer Farm, which has stood since 1847. Learn to throw a lasso and take a reindeer-pulled sleigh ride through the forest.

Jeris is perfectly placed to spot the Northern Lights, so we've organised a workshop with an expert guide who will tell you all about the myths, legends and science behind the Aurora. Hopefully, you will get the chance to witness them at their shimmering best during your stay.

At the end of every adventure, you will return to the warmth of your very own cosy winter cottage accommodation.

DAY  
2

### TORASSIEPPI REINDEER FARM, WINTER VILLAGE AND NORTHERN LIGHTS WORKSHOP

After breakfast, you'll be transferred to Torassieppi Winter Village. You'll tour its incredible reindeer farm, which has been around since 1847 and travel further into its history with a visit to the small but fascinating on-site museum. After that, you'll learn how to throw a lasso like a real reindeer herder before being taken on a magical three-kilometre reindeer sleigh ride around the woods.

Following the ride is a look around the winter village, filled with enchanting frozen sculptures and designs. Lunch will then be served in the incredible ice restaurant. Please note that if conditions are not suitable, then lunch will be served in a wooden kota tepee instead.

In the afternoon, it is time for you to learn about the incredible Aurora Borealis, during a Northern Lights workshop. You'll hear the myths and legends associated with the Aurora and be introduced to the science behind them.

Jeris is in a prime location for witnessing this phenomenal light display, so remember to keep an eye on the sky each night.

Dinner will be served in the hotel restaurant this evening.

**Included Meals:** Breakfast, Lunch, Dinner

DAY  
3

## HUSKY SAFARI AND SAMI EVENING

This morning features one of our all-time favourite activities – a husky safari! You will get to tour a husky farm close by and meet the energetic team that will be leading you on safari.

The dogs will be harnessed, and the adults will receive full instructions on how to control the sled. You will then all depart on a magical dog sled ride which covers an amazing 15 kilometres. It may be noisy to begin with, but the dogs soon quieten down, silently slipping you over the snow. You will travel in pairs with children typically travelling in the guide's sled and the adults sharing one team between two.

Dinner this evening will be served in the lakeside restaurant with an open fire. Afterwards, you will be joined by a local Sámi and you can listen to traditional Sámi joikus. These are sometimes haunting mixes of chant and song, tell of Sámi life and the natural world with which their lives have been so tightly intertwined over the centuries.

**Included Meals:** Breakfast, Lunch, Dinner

DAY  
4

## SNOWMOBILE SAFARI AND NET FISHING

Today it is time to rev up the action with a 35-kilometre snowmobile safari. Full instruction and a safety briefing precede your departure onto the trails for a thrilling ride along the snowy trails. You need to be 18 years old and hold a full driving licence to take the controls and adults will travel two people per machine. Children will travel in a sled pulled by the guide's snowmobile.

You will stop on one of the frozen lakes (the ice is incredibly thick) and learn the techniques of ancient net fishing. Your guide will demonstrate how the Sámi people have traditionally fished here using nets and will also get a fire going and cook up lunch out in the open. Food always tastes better in the fresh air!

**Included Meals:** Breakfast, Lunch, Dinner

DAY  
5

## FREE DAY AND AURORA SNOW TRAIN

Today has been left free for you to relax or book additional activities (payable locally). If you're addicted to the outdoors, it will be possible to hire snowshoes or cross-country skis and explore more of the natural routes around Jeris at your own pace.

Whatever you decide, you can either have lunch in the hotel restaurant or take a packed lunch with

you on your personal adventures.

Dinner will be served back at the hotel this evening before you head off on an adventure to search for the Northern Lights by Snow Train. This specially adapted snowmobile pulls a large, heated sleigh where guests will sit and watch out of the windows to try and catch a glimpse of the Northern Lights. Along the route, you will stop for a campfire with a hot drink and snack. You will be out for around 2 hours in total.

**Included Meals:** Breakfast, Lunch, Dinner

DAY  
6

## SNOWSHOEING AND ARCTIC SAUNA

There's a classic Nordic sport after breakfast today. After a short transfer, a guide will lead you on a snowshoe hike through the surrounding wilderness of the Pallas fell. Lunch will be enjoyed back at the hotel.

After dinner, you will get to indulge in one of the Finns most favoured pastimes. It is said that the sauna is the first room any Finnish architect considers when planning any building. You can, of course, then take on the challenge of either a dip in the lake or a roll in the snow to really complete the experience - but it is entirely optional and only for those who are in excellent health.

You will then be visited by a Shaman (a local wise man) who he is here to perform a positive ceremony calling on the powers of the four elements. It is a spine-tingling throwback to how life would have been in these parts in times gone by.

**Included Meals:** Breakfast, Lunch, Dinner

DAY  
7

We've kept the end of your holiday free for you to have some free time and try your favourite activities again.

This evening a very special Finnish dinner will be served at the hotel.

SPECIAL NIGHTS

## Spend the night in an Aurora Dome

The Aurora Domes are a spectacular addition to Torassieppi and Jeris and offer families the chance for some serious Aurora glamping.

On the banks of Lake Torassieppi or Lake Jerisjärvi, the domes provide the chance for you to gaze at the sky and hopefully the Northern Lights, from the comfort of your bed. Each of the domes is kept toasty warm by a log

burning stove and faces north for the best Aurora views. They are a truly cosy and unique place to spend the night.

The domes have either a double or twin bed but there is room for two extra beds if you all wish to share. They are only around 50-100 metres from the sauna building and toilet facilities.

They are an unforgettable place for any family to spend the night.

For December dates at Torassieppi, you will have dinner at your hotel, prior to transferring to your dome at approximately 8.30/9pm; from early January onwards, you will check-in at approximately 4 pm and have dinner at Torassieppi. If you are staying in an Aurora Dome in Jeris, check-in is approximately 4 pm throughout the season and you will have dinner at Jeris as well.

At both locations, you will check-out after breakfast.

The price shown is based on you spending the final night of your holiday in a dome and you will therefore not require your hotel accommodation. If you wish to spend any other night in a dome then supplements will apply so please ask our team for a quotation.

**Available:** Monday to Sunday

Speak to one of our Travel Experts for a quote.

**Please note:** for 2022/23, it is likely that the domes will only be operating in Torassieppi.

**Hotel Jeris Winter Cottage (Nights: 1-6)**

## Winter Cottage Type A

Hotel Jeris and its winter cottages are on the shores of Lake Jerisjarvi around 20km from the nearest town. They offer families an idyllic location for a holiday in the wilds of Finnish Lapland.

The hotel consists of the main building which is home to the hotel rooms, gift shop and restaurant. The 35 winter cottages are dotted in the surrounding forests.

### Hotel facilities:

- All meals are served in the main hotel restaurant. There is always a selection of options which often includes local dishes as well as more international cuisine.
- The buffet breakfast offers a wide selection of cooked and continental options; whilst lunch and dinner are usually a selection of salads, then a choice between a meat/fish main course and a vegetarian option, followed by a set dessert. During December, a special buffet menu and certain soft drinks are also provided for children.
- Tea and coffee are available free of charge throughout the day in the hotel restaurant/bar area.
- There is a small lounge area in the main building where guests can use the free Wi-Fi connection and there is a small shop selling souvenirs and snacks.
- Jeris is home to the lovely Arctic Sauna World just a short walk from the hotel. Renovated for winter 2019/20, the spa has strong eco-credentials thanks to its use of entirely renewable electricity and geothermal heating generated from the Jerisjärvi lake. Here there are four saunas each inspired by the four elements; earth, fire, water and air and named after Finnish gods and goddesses. You can also upgrade to the special Northern Lights sauna for a relaxing way to search the skies! If you are feeling brave (and are in good health) try an adventurous dip in the ice pool.

### Winter Cottage Type A:

Type A winter cottages (30 square metres) are, on the whole, the closest to the hotel and are ideal for families with small children.

The cabins can vary in size but all sleep from two to four people in one spacious room with a sleeping alcove for two people (generally with a double bed) and a pull-out sofa bed for two more. They are all privately-owned and so the décor and style can vary, but each has a cosy wood-burning stove,

clothes-drying cupboard, kitchenette, television, shower room, toilet and a private sauna.

All meals are served in the hotel restaurant.

Cabin guests will receive a small 'starter pack' of firewood. Further wood supplies can be purchased locally for approximately 10 euros.

**Please note:** a limited number of hairdryers are available from reception.
