Pyhä Northern Lights Village - Taiga Forest Cabin (Nights: 1-3)

One of our very favourite partners, Northern Lights Village launched their brand-new destination in Pyhä in 2023. We have been privileged enough to watch this awesome team create two of our most popular destinations from the initial concept stage right through to the professional operation to which we send hundreds of happy guests each month during the Autumn and Winter seasons.

The small village of Pyhä is around 130km North of the Arctic Circle and around 90 minutes from Rovaniemi airport. The Northern Lights Village is located about 5km from the nearby downhill ski resort. The village is set in a beautiful, picturesque snowy forest and just a very short walk away you can find the frozen Lake Pyhäjärvi.

Facilities

There is a restaurant and reception building on site where all your meals will be served. At a safari house you will be issued cold weather clothing, and this is the meeting point for your activities. Please note that hot water is limited in all the accommodation types.

There will be four types of accommodation when this new destination opens in 2023.

- Just a short walk from your accommodation, you'll find the resort's brand-new restaurant serving up mouth-watering local flavours and special delicacies from Lapland and the Barents Sea regions. With a continental-buffet style breakfast, there's something for everyone. From nutritious fresh fruit, muesli and yoghurt to sweet treats like pancakes, Karelian pastries and croissants. Lunch and dinner are equally as delicious and varied and there's plenty of options for those with dietary requirements. Enjoy quality family time around the table surrounded by stylish interiors and luxury furnishings.
- Your friendly guides will be ready to welcome you at the meeting point for all activities in the reception of the main building. Throughout the programme, your guide will also take photos of your family; a special touch offered by the Northern Lights Village to ensure these precious moments are captured forever. Copies of your photographs can be purchased from reception.
- The small village centre is located nearby if you need to purchase any extra items and there's a ski resort located 5km away. If you and your family are feeling particularly active and want to take to the slopes, the team on reception will be more than happy to organise a transfer for you.
- To alleviate packing and ensure each family member is properly kitted out for the

duration of your stay, there is an onsite clothing storage providing cold weather clothing which can be collected after checking in at reception.

- For an extra charge (booked privately) you can relax in the sauna and hot tub after your day exploring the Arctic. If you're feeling especially brave, there's also the Ice Pool for you to plunge into.
