Trip Overview

The Gloria Resort offers an abundance of amenities for families. There are dedicated kids' clubs, children's swimming pools, a waterpark and even a bowling alley. Travelling with young children can be demanding but the team at Gloria Resort have a range of baby and toddler equipment available to help you pack light and enjoy a stress-free escape.

Whilst the kids are having fun in their clubs, why not practice your swing on one of the luscious championship golf courses? The resort boasts Europe's first and only TrackMan Range Application and on-site club houses. We highly recommend a trip to La Source Spa to decompress and indulge in a relaxing treatment.

Avid foodies and picky eaters are both catered for with an extensive choice of dining options. There are two restaurants serving up lavish buffets and five speciality à la carte restaurants. Sample Spanish seafood dishes one evening and an authentic Turkish barbeque the next. This package is all inclusive meaning all you have to do each day is choose what to do and where to eat. Decisions decisions!
