Our Opinion

“ You and the kids will quickly see why the Azores are so famous for their natural beauty. There’s no watching from a distant cruise ship here – you’ll be up close to some of the most beautiful environments on the planet. Whether you’re kayaking on Sete Cidades or wandering through Terra Nostra Botanical Garden, you will always be surrounded by incredible outdoor scenes. Trip Overview

Lose yourself in nature, activities, and culture in the Azores with this brilliant seven-night active family summer getaway, based in the city of Ponta Delgada on Sao Miguel Island.

You will begin with an adventure tour to the Sete Cidades Lake, kayaking on its crater lake and mountain biking in the nearby area. There will be an amazing whale-watching tour over the Atlantic waters, as well as lagoon-snorkelling* at the Vila Franca Islet.

There will be a chance for you to get acquainted with the island's volcanic side at Terra Nostra Botanical Garden, where you will bathe in a hot spring. At Furnas, you can taste a traditional cozido stew, cooked using natural steam from the ground. This mix of regional vegetables and juicy meats is only one Azorean delicacy you will be able to sample.

The outdoor reserves and territories of the island will be yours to explore during this trip. Try your hand at canyoning in Ribeira dos Caldeiraes Natural Park, walk over the black sands of Santa Barbara Beach, and take a dip at the Caldeira Velha waterfall. There is also the opportunity to look around the mysterious Gruta do Carvao, the longest of the lava tunnels on Sao Miguel.

Your hotel for the duration of this exciting family activity holiday will be Sao Miguel Park: superb four-star accommodation close to the centre of Ponta Delgada, with indoor and outdoor pools, and splendid spa facilities. You can also upgrade to the Marina Atlantico hotel, which sits right on the waterfront and offers brilliant views over the marina.

*Snorkelling equipment is not provided, so we recommend bringing your own

SETE CIDADES ADVENTURE TOUR AND WELCOME DINNER

Eat a substantial breakfast before an exciting, full-day outing: the Sete Cidades Adventure Tour! This takes you to the Western side of São Miguel Island to the famed Lagoa das Sete Cidades or Lake of the Seven Cities, and along the way, you will stop at some viewpoints. The deep crater lake is divided by a bridge, virtually forming two lakes that showcase different colours and are known as the Blue and Green Lakes – a wonderful environment where everyone will spend the day mountain biking and kayaking. There will be a picnic lunch break along the way.

In the evening, you will be treated to a lovely welcome dinner with a spread of Azorean specialties. Our friendly guide will be on hand to answer any questions about the rest of your holiday.

Included Meals: Breakfast, Lunch, Dinner

DAY
3WHALE-WATCHING AND VILA FRANCA DO CAMPO OR OFICINA MUSEU
AND PINEAPPLE FARM VISIT

After breakfast, you can look forward to a fabulous whale-watching tour to fill up the morning. There aren't many places which are as highly regarded for this pastime as the Azores – the islands have even had visits from National Geographic and the BBC!

Expert biologists will give you full briefings on safety measures and responsible whale watching before you are taken out over the water by Rigid Inflatable Boat (RIB) (restrictions may apply for pregnant women and people with lower back problems). Depending on luck and the time of year,

there are over 25 different whale and Dolphin species that you might spot, as well as other marine creatures. Life vests and waterproofs are provided.

If you are travelling between 15th June to 15th September, you will be transported in a converted fishing boat to the beautiful islet of Vila Franca: a green ring around a crater lagoon. You and the kids can go swimming in this marvellous natural reserve. Snorkelling equipment is not provided, so we recommend bringing your own. Species to look for include rainbow wrasses and Guinea-fowl puffers.

If you are travelling outside 15th June to 15th September, or if weather conditions are not favourable, you will be driven to Capelas for a visit to Oficina Museu – here you can lose yourselves in the history of the Azores, learning how the culture of the island and local lifestyles changed in the middle of the twentieth century. Take the chance to observe artisans making typical Azorean handicrafts. The day will finish with a trip to a pineapple farm on São Miguel. Did you know that it takes two years for an Azorean pineapple to reach the dinner table?

Included Meals: Breakfast, Lunch

DAY
4

THEMATIC TOUR TO FURNAS

Today is a volcanic culture day! Once you have had breakfast, your first stop will be at one of the oldest remaining tea plantation and factory in Europe, the Gorreana Tea Estates. In addition to looking around, you will also get to sample their produce. It is a must for tea-loving families.

From there, it is onto Caldeiras das Furnas with its fumaroles and mineral water springs; they say the water has a different flavour in each one! On the way, you will stop at a viewpoint.

For lunch, you will all be served cozido, a traditional Portuguese stew with a succulent selection of meats slow-cooked with locally-produced vegetables. Keeping with the geothermal theme of the day, it will be cooked using only steam from the surrounding earth.

Once you have all feasted, everyone will be taken to the famous Terra Nostra Botanical Garden, which showcases a rich variety of native and foreign plants; it is a very pretty place to stroll around. Finishing off this visit is the opportunity to get into a naturally heated pool, with water rich in iron. At a temperature of between 35°C to 40°C, it makes for a super-relaxing experience.

Returning to Ponta Delgada, you will make a couple of stop-offs to take in awesome coastal views; cameras at the ready!

During your visit, as well as learning about Azorean culture, you will have the opportunity to meet an array of farm animals and even try milking a cow! The ethos of Quinta do Agricultor is that guests will arrive as visitors and leave as friends.

The afternoon will be left free for you and your family to spend as you wish. You can stay back at the harbour and grab lunch at a local restaurant before being transferred back to São Miguel Park, or take a transfer back straight away. If the morning's swimming hasn't been enough, why not have a session in one of the hotel pools? You might also like to leave the hotel behind and explore the streets of Ponta Delgada.
