

Ranua - Festive Family Adventure

HOLIDAY TYPE: Small Group
VISITING: Finland

BROCHURE CODE: 1803
DURATION: 3 nights

In Brief

This exciting festive family getaway features a private meeting with Father Christmas and a reindeer sleigh ride. It is also a dream for any animal-lovers as you'll have access to Ranua Wildlife Park, home to Arctic foxes and polar bears! During your free time, complete your winter adventure with optional activities such as dog sledding and snowmobiling.

Our Opinion

“ Children will love the huge range of animals at Ranua Wildlife Park – everyone likes the polar bears but also ends up having individual favourites too! A more personalised and festive animal experience is, of course, the reindeer sleigh ride, which makes for the perfect build-up to the highlight of this holiday: a private meeting with Father Christmas himself! And if that wasn't enough, you also get to go dog sledding and hunt the Northern Lights by snowmobile. ”

Trip Overview

The run-up to Christmas gets a natural-world makeover with this three-night holiday at Ranua – festive fun, classic Finnish snow activities, and of course, plenty of animals!

Staying in delightful apartments next to Ranua Wildlife Park, you will be a short distance from its many different Arctic species: polar bears, moose, golden eagles, wolves, arctic foxes, otters, lynx, and elk being just a few! You will have unlimited access to the park during your stay so you can visit your favourite animals again and again.

Please note, in December, we will not be offering a full board upgrade to include lunch, but guests can arrange and pay for this locally. In our experience, the restaurant can become busy during the festive lunchtimes, with outside visitors to the park, and we have found that most families prefer to make their own lunch arrangements in their wonderfully equipped apartment kitchens. One free taxi ride to the local supermarket is included in your stay, and reception can arrange this for you either at check-in or the following day, so you can easily stock up on supplies. Breakfast and dinner are included in all our holidays.

A very special animal-related activity for this time of year is the short reindeer sleigh ride, which sets the mood for the holiday moment everyone will be looking forward to: the private meeting with Father Christmas! Meeting Santa is usually rushed because the man in red has a hectic present-delivering schedule. On this holiday, however, each family will get their own session with Santa in his

woodland cabin when he is much more relaxed! Children will love hearing his stories and can ask him questions about his magical life. The whole experience is one they will never forget.

Wildlife, Father Christmas, and fun in the snow: a perfect Finnish getaway for the whole family!

RANUA WILDLIFE PARK AND REINDEER SLEIGH RIDE

Following breakfast, you will have time to explore Ranua Wildlife Park, home to a huge range of animals including moose, golden eagles, otters, Arctic foxes and of course polar bears!

The owners of the park have put a significant amount of effort into creating the spacious enclosures for these animals which are as close in design to their natural habitats as possible. Children will learn a great deal about the animals from the displays and can come back to see their favourites whenever they like, as you will have unlimited access to the park during your stay.

To get even closer to the animals, you can upgrade to a guided tour of the park. This special activity will take you behind-the-scenes and families may also be able to join in with feeding some of the smaller animals.

This afternoon, you will start getting into the Christmassy mood with a short reindeer sleigh ride. Relax as the calm reindeer draw your sleigh over a distance of about three kilometres, lasting around 40 minutes.

Once dinner is done, you have the evening to relax. As you're in prime Northern Lights territory, why

not book onto an activity that gets you out into the wilderness and on the hunt for the magical light display? View our 'Personalised' tab for more information on activities.
