Our Opinion

“ There’s nothing more magical than a family holiday to Lapland. Our little one had never seen snow like this before, and the reindeer experience was really special. We were fortunate enough to capture the Northern Lights multiple times throughout our stay. I’ll never forget the look on my daughter’s face. ”

Trip Overview

With just a short transfer from Ivalo airport, Saariselkä is ideally located at the edge of an idyllic winter wonderland in Northern Finland. It is a particularly outstanding destination for young families as the town is only a short walk from the accommodation, so despite being north of the Arctic Circle, you have a comforting mixture of modern convenience and serene winter wilderness. This family-focused trip is specifically designed for you to relax and enjoy quality time with your loved ones in one of the world's most striking destinations.

Imagine your little one's face as they cuddle one of the loveable husky puppies at a nearby kennel. You'll have the chance to take lots of photos to capture these precious moments and ask the friendly musher all about these special dogs and what life is like for these animals in the Arctic. During your stay, you'll get up close to one of Lapland's most renowned creatures on a short reindeer ride. Nestle with your loved ones in the inviting sleigh and wonder at the enchanted wilderness around you.

The beauty of this holiday is that you can choose additional activities you would like to take part in, as well as having the option to add on extra nights. The majority of activities

start on-site and are fully guided by knowledgeable, local experts who are there to ensure that you enjoy the experience safely. Explore the fells via snowmobile or laugh at dad as he attempts to learn how to cross-country ski. Glide over the pristine snow snuggled up together in a cosy sleigh to the gentle sounds of pattering paws with a team of adorable huskies, or unravel the mysteries behind the silent, winter forest during a guided snowshoe walk.

Activities are not restricted to the daytime with long winter nights offering fantastic opportunities to seek out the Northern Lights. A night-time adventure is particularly captivating for little ones who simply love being allowed to stay up later than usual, but imagine then witnessing flickers of dancing colours before the Aurora becomes more pronounced and lights up the sky.

Very few places offer the chance to stay in an Aurora cabin for the duration of your trip. The comfortable, glass-roofed cabins lie on the outskirts of the village with an outlook of deep winter snow. Imagine cuddling under a star-studded sky from the luxury of your own bed listening to a bed-time story whilst keeping an eye out for the magical Northern Lights. These are memories that will last a lifetime.

Conveniently, the village itself is only 1000 metres away from the town which offers an array of amenities, including shops and restaurants.

Simply put, Saariselkä is a special destination and an ideal base for families looking to discover the mysteries of the Lappish wilderness. The 'Narnia-esque' terrain is bound to capture the imaginations of both adults and children alike and any Auroral displays will leave you with memories to last a lifetime.
