

Croatia - An Island Adventure

HOLIDAY TYPE: Small Group
VISITING: Croatia

BROCHURE CODE: 4047
DURATION: 7 nights

In Brief

Based on the island of Sipan, in Croatia's beautiful Elaphiti Islands, this exciting activity holiday will see you island hopping most days. As a family you will sea kayak to hidden coves and uninhabited islands, take in Sipan by bike, visit the magnificent city of Dubrovnik and enjoy active fun and games, all whilst exploring the archipelago.

Our Opinion

“ This holiday encapsulates some of the best Croatia has to offer. The whole family can explore some of the lesser-known, but equally stunning Croatian islands in an active way. The combination of water and land-based activities means you cover the islands from all angles and enjoy a variety of experiences. You also have the chance to visit landmark destinations such as Dubrovnik to enjoy the sights, before heading back to your more peaceful island base. The short ferry transfers are all part of the fun (and they are part of everyday life in this region) and add to the experience as you hop between islands and the mainland. ”

Trip Overview

Croatia's Elaphiti Islands are little-known gems for family holidays. They are some of the greenest in Croatia, covered by forests and edged by sandy beaches, hidden coves, reefs, pines and palms, all just waiting to be explored. You'll be based on the island of Šipan in a family-run guesthouse and situated on the edge of a stunning bay, but on most days you will hop between islands and explore further afield during your activities.

The whole family can get involved in this itinerary as activities can be tailored to accommodate those as young as eight years old, whilst still maintaining the adventure for older kids. You will enjoy stand-up paddle boarding, sea kayaking, hiking and biking as you journey around, up, over and between the islands. The activities tend to last for around two hours, so there is a great balance between adventure and free time.

Your transfer will take you to the ferry terminal for your scenic ride to the beautiful island of Šipan (only 40 minutes away). Your guesthouse home is in the quaint seaside village of Šipanska Luka which offers easy access for paddling, swimming and snorkelling.

A cycling adventure is first up, where you will travel through traditional sleepy villages on carefully selected routes with very little traffic. You'll get out and about in the stunning

scenery, enjoying the views, sights and beauty of the island.

Next up is stand up paddle boarding, an activity which is up there with one of the best ways to explore the islands and we will kick things off in style as you paddle to some of the tiny uninhabited islands to explore their coastlines. The pace will be leisurely and there will be plenty of time for swimming and enjoying the warm waters.

A sea kayaking adventure around the Elaphiti Islands is next on the agenda. Explore hidden beaches and coves, which can only be accessed from a small boat or kayak. You'll have the opportunity to swim and snorkel too.

Overall, this holiday provides island hopping activities, a delightful location and the chance to explore some of the most stunning spots in Croatia as a family. What could be better!

DAY
1

ARRIVAL, WELCOME AND FERRY TO ŠIPAN

On arrival in Croatia, you will be greeted and transferred to the ferry terminal. This ferry is the most scenic holiday transfer we offer anywhere and lasts around 40 minutes. It is the ideal way to start your holiday in Croatia as you can really enjoy the views of the islands and the mainland from the water.

On arrival in Šipan, you will be taken to the picturesque fishing village of Šipanska Luka. This tranquil spot is a favourite for mooring yachts due to the stunning palm-lined bay. Here you will check in to your welcoming guesthouse accommodation and enjoy a relaxed evening before the fun begins tomorrow. Meals will be served in a nearby local restaurant or cafe throughout your stay.

NB: Ideally, flights should arrive before 3 pm. Any arrivals after 6 pm may need a private taxi boat transfer supplement.

Included Meals: None

DAY
2

CYCLING IN ŠIPAN

After a leisurely breakfast, you will meet your experienced guide for your first activity, before setting off on your cycling tour of Šipan. The island's quiet roads provide the perfect routes and your guide knows all the best viewpoints. You will pass through olive groves and traditional villages, enjoy hilltop views and look out across the glistening sea. In total, you will travel between 10-15km today (the island is only 9km long in total!) and there will be plenty of rest breaks. Should you have younger children in the family, they

can ride in a bike seat with one of their parents.

This tour normally takes approximately 2 hours (depending on stops) and you can spend the rest of the day relaxing or possibly hiring the bikes for the afternoon if you wish to continue exploring independently (subject to availability, must be booked and paid for locally). There will be the opportunity to enjoy lunch in a local restaurant too (please note, lunch is not included).

Lunches and dinners are typically not included in the holiday as there are normally several options each day (e.g. a local restaurant, a shop where you can purchase a picnic, etc.) so you can choose the option which best suits your family. You should also carry plenty of water with you throughout each day.

Included Meals: Breakfast

DAY
3

STAND UP PADDLE BOARDING

Enjoy breakfast overlooking the Adraitic before your paddle board adventure around the shores of Šipan. This is perhaps one of the most idyllic Croatian Archipelagos for sea exploring, with hidden coves and secret beaches.

You'll first take a short transfer to Sudurad, where the adventure begins. From here, you'll set off from a tranquil beach offering beautiful views of neighbouring Lopud Island. If weather permits, you'll have the opportunity to explore Šipan's green cave too.

The SUP activity will last for approximately 2 hours, not including breaks, and you'll have the chance to stay in Sudurad to enjoy some free time. Why not head to the top of St Trinity for views of the whole island.

After completing your tour, you will return to the guesthouse for some time to relax.

Included Meals: Breakfast

DAY
4

SEA KAYAKING

Following breakfast, you will begin your sea kayaking trip west to some of the neighbouring Elaphiti Islands, where you can discover numerous secret caves, coves and beaches dotted around the pine and palm-lined coastline. You will paddle towards Jakljan, Tajan and Olipa which are all uninhabited islands and only accessible from the water.

There will be plenty of time for swimming and snorkelling so you can look at the world under the azure blue sea. If you have younger children, then they can share a kayak with their parents. The kayaking will last for approximately 2-3 hours today, not including breaks.

DAY AT LEISURE - SIPAN ISLAND

Today, you have the option of relaxing on your wonderful island base or if you feel like another adventure, we thoroughly recommend a day exploring Dubrovnik at your own pace.

There are regular ferries scheduled from both the harbours at Luka and Sudarad, for the short crossing to the mainland. Tickets are very reasonable and available for sale right up to departure on the day of travel, so you have the flexibility to decide when you would like to go and for how long. Your local guides can assist you if you need any further information on making your booking.

The crossing will give you views of the ancient citadel as you head towards the port. You will undoubtedly recognise many of Dubrovnik's sights from film and television and it is easy to see why. The sense of history and adventure is all around you as you walk the polished-limestone paved streets of the old town, and take in the city walls still complete with their cannons. There are also shops and cafes galore and we also recommend seeking out one of the ice cream parlours – always a firm family favourite!

It is (approximately) 30 minutes walk from the harbour to the old town, but if you would rather take the bus (or taxi) from the port to the city, this can be paid for locally – again please just ask your guide for further details.

Included Meals: BreakfastDAY
6

DAY AT LEISURE - LOPUD ISLAND

Today you are island hopping once more as you take the short (around 15 minutes) ferry ride to nearby Lopud Island after breakfast. Your guide will accompany you on a leisurely ride to Sudjuradj and provide you with tickets and information ahead of a free day to explore the island.

If you're feeling adventurous, Lopud offers some of Croatia's most picturesque walking trails, starting from the sea and heading into the hill. Small churches and an impressive fort are located at one of the island's highest points where you can enjoy amazing views of the Elaphiti Archipelago and Mljet island.

This afternoon, you will return to Šipanska Luka for a relaxing evening.

Included Meals: BreakfastDAY
7

DAY AT LEISURE - KOLOCEP ISLAND

Today has another island to offer. You'll take a 40 minute ferry ride to Koločep, the third of the inhabited Elaphiti Islands. As with yesterday's format, your guide will accompany you on the ferry ride to provide you with tickets and information ahead of a free day to explore the island.

Koločep (pronounced "Koloceph") is interesting for its dramatic scenery with rocky beaches, high cliffs, turquoise bays and colourful reefs. There are no cars on this tiny island so enjoy a peaceful walk through the islands villages.

You'll return to Šipanska Luka by ferry this afternoon for your final evening.

Included Meals: Breakfast

DAY

DEPARTURE

Sadly, your island adventure has come to an end and this morning you will transfer back to Dubrovnik Airport for the flight home. To ensure that you avoid the need for private taxi boat transfers, flights should be booked to depart no earlier than 10 am.

Included Meals: None

Included Accommodation

Villa Lela (Nights: 1-7)

Villa Lela is in Šipanska Luka, a village in the northern part of the delightful island of Sipan. Šipanska Luka is a small fishing village and so accommodation is typically in small family-run guesthouses such as Villa Lela. This option is ideal for families with younger children who need to share with their parents.

Close to the waterside, the location is perfect for families, being just a stone's throw from the sandy beach and tranquil palm-lined shore where you can swim and paddle to your heart's content during your stay.

ROOM TYPE

It has just six bedrooms across three floors, but some are larger so are more accommodating for parents and children sharing.

The two double rooms are suitable for two people with space for a third on a sofa bed.

For larger families, there are four further bedrooms with the option to connect two rooms, which can be closed off by a lockable door. Hence, these rooms can be made into a much larger space, one with two double beds and the other with a double bed and two single beds. These connecting rooms come with the bonus of a kitchenette.

All the rooms have air-conditioning and en-suite facilities.

Please note: The images above show both the smaller and larger bedroom options.
